Dear Residents,

Thank you for taking the time to read this leaflet

I have lived and worked, although ( I am now retired ) on the Island since 1982 and became a Town Councillor in May 2007. I am involved in lots of ongoing projects :- decorating the Town Centre hanging baskets and flower tubs, the Lake, the organising of the Wildlife day at Canvey West Marshes and Armed Forces day, The Garden Trail and the Christmas event, which all get more and more popular every year. I wish to carry on making the environment on Canvey Island, better and better.

Do you have any ideas that you would like to see that would improve your community ? let me know and I will take them forward. I sincerely hope that you feel the same as I do, therefore I ask that you will again entrust your vote to me so as to continue to fight for Canvey Island residents wishes.

I will always speak up for Canvey Island residents .

So please vote for me on Thursday 2 nd May

**Thank you**

*North Ward*

Dear Residents,

I have lived on Canvey Island for the past 17 years and have had the chance to meet many of you and assist you with various issues that you have raised. I would like to take this opportunity to say "Hello" to the new residents of North Ward and let you know that I am here to help you in any way I can.

I have been a Town Councillor since the inception of the Town Council in 2007.

I was Chairman of the Council for a year and have chaired the Policy and Finance Committee for the past twelve years. I am also a member of the Planning Committee and even though we are only a consultative committee we let the Borough Council know our views on the planning issues that are brought before us.

I have seen the Town Council grow into something that has been able to take on more and more responsibility for our Island and greatly improve the area that I hope benefits you all.

If you choose to re-elect me I promise that I will continue to work hard to make sure that this trend continues, and that I can make sure your views count.

I can be contacted via the Town Council Office, you only need to ask the wonderful staff there for my mobile number or email. I will not let you down, PLEASE vote for ME on Thursday 2nd May

**Thank You, Nick**
