

Elaine Harvey

Dear Resident,

My name is Elaine Harvey and I live on Canvey Island, currently in West Ward. I was born in West Crescent in 1953 and have lived here ever since. I am married with 3 children, two of whom also live on Canvey Island, and 2 grandchildren to date.

I was educated at Leigh Beck Primary School, and at the age of 11 went to Canvey Secondary School which one year later became Furtherwick Park School. On leaving school I went to work in the City of London for an Insurance Company.

I have also worked at various places on Canvey Island over the years including Canvey Library, William Reed Junior School, Starr Snooker, Oysterfleet Hotel and 2 separate Dr's Surgeries. I was also employed by Essex Police at Basildon and the Salvation Army at Hadleigh.

I am now retired but like to keep busy so I have voluntary roles, one of which is with Canvey Bay Watch. I also like to keep fit by gardening, rambling and sometimes jogging. In the past I volunteered for 21 years with Essex Police in the role of Special Constable, which speaks for itself as to my honesty and integrity.

If elected I would serve the people of West Ward, to the best of my ability.

Thank you,

Elaine Harvey
