Dear Residents,

Having been a member of the Canvey community for most of my life I have seen many changes to our Island. Some have been good, some have been bad.

I have found representing the people of Canvey Island an honour. We have great organisations and community groups that do many wonderful things for our Island, and it has been a pleasure meeting and working with them.

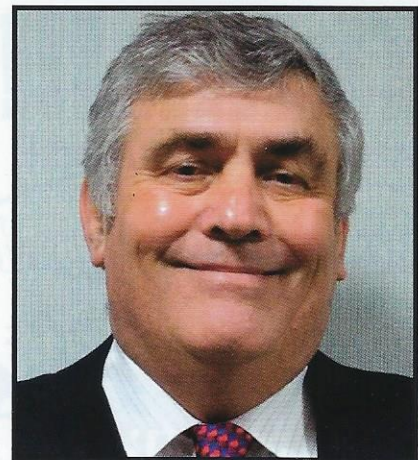

All of my family live on Canvey Island, my mother, brother, sister, my children, and grandchildren.

My pledge to you is I will always fight for Canvey Island and its residents for issues that concern you.

I ask that you will support me and vote for me in this years elections. Please vote for me on Thursday 2nd May.

Thank you.

Peter

My name is Peter Charles Greig, I am 70 years old and have lived on Canvey Island for 39 years. I am retired therefore I can commit my time to carrying out work for the Town Council.

The reason I want to stand for re-election for the Town Council is because as a serving local Borough Councillor I feel that with the experience I have gained, I have been able to put that experience to good use on the Town Council.

The Town Council has achieved many things since its formation. Planters have been placed in the town centre with bright hanging baskets full of colourful flowers, also the seafront gardens are maintained and looked after.

Each year we organise the Armed Forces Day Parade which has proved very successful, also we look after the paddling pool on the seafront which is well used in the summer months.

The Town Council organise the well attended Christmas Event where the town centre is closed to all traffic so that residents and visitors can walk around and enjoy the entertainment and the Christmas lights, which get bigger and better every year.

I will work hard to represent you in all the issues that will affect Canvey Island in the future so please vote for me on Thursday 2nd May.

Thank You, Peter Greig
